Currency conversion: To complete this transaction, we converted the payment amount to the currency of your card based on our agreement with you. PayPal's currency conversion fee is added to the exchange rate, set by an external financial institution. For more information about fees, see our [user agreement](#).

Rate of Exchange: If this transaction involves a currency conversion, there will be an exchange rate shown above. This exchange rate includes a 2.5% spread above the wholesale exchange rate at which PayPal obtains foreign currency, and the spread is retained by PayPal. If and when the Recipient chooses to withdraw these funds from the PayPal System, and if the withdrawal involves a currency conversion, the Recipient will convert the funds at the applicable currency exchange rate at the time of the withdrawal, and the Recipient may incur a withdrawal fee.
